CAST BIOS

ANDREW BENTLEY *Charlie Brown*

"Six years ago it was unknown if the theater would make it through the season. Sometimes you take a blind leap of faith and are blessed more than you could know. Other than Charlie, this place has brought me friendships that will last forever. It has also given me the opportunity to pretend to be a hangman/director....A cranky Gardner.. A thief who found some redemption on the arm of a hero...an overprotective father...an underprotective father...a mischievous tappin sidekick....and a dear friend...I hope in 6 years when we do this show again, I have another 9 shows of love under my belt. And I can't wait to be an audience member for the rest. From the bottom of my heart, thank you Nashelle."

BRIAN LITTON *Schroeder*

"I was involved with 22 shows at Outlaw Trail Theater and served 18 years as the music director. I'm now in my 15th year helping with music for Uintah Theatre. And I've been playing piano for nearly 40 years. So, playing a musician like Schroeder (who happens to be my favorite Peanuts character) means a lot to me. Appearing in the first ever show at Vernal Theatre: LIVE was a privilege, featuring a cast that made rehearsals a laugh riot. I've spent the majority of my time in theatre working behind the scenes and rarely appear onstage, but I couldn't pass up the experience of working with this cast again. I thought I was incredibly lucky to play Schroeder one time; getting a second chance is rare and special. Thanks to Nashelle for the opportunity, and a shout out to Linda Cochran and Pat Havey for costume help."

CLAIRE OWENS *Lucy*

"I LOVE Lucy. She has been my #1 favorite character to play and am so grateful to get to pretend to be her again. I am even more grateful to get to be her again with all of my amazing friends. I am even more grateful-er to my family for supporting me during rehearsals."

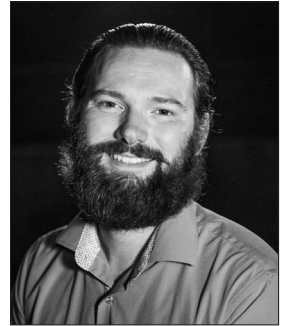

DANICIA CHRISTENSEN *Sally*

Dancia is a Christ-centered life coach, speaker, songwriter and performer whose mission is to use the power of music to inspire, motivate and teach! She has a degree in Vocal Performance, a life coach certification and has spent the last two decades continuing her training, teaching and performing. She loves combining the power of your voice as a musical instrument and as an instrument to create growth and change in the world! She loves Vernal and is so grateful for the opportunity to share in the fun of *Charlie Brown* with you all tonight! "Thank you for coming!"

CAST BIOS

DANIEL JACKSON *Linus*

"I just can't believe it. My personal search for happiness has led me here. In the last six years, my theatre resume has exploded from 5 to 45 productions. Theatre has changed me into a better person. This is the 20th show I have been on stage at VT:L and I am still "looking forward to many more". Thank you for building connections in our community through live performing and entertainment. Thanks for playing to ALL current and past cast, crew, and production teams. All my Love to N&H."

RUSSELL PEARSON *Snoopy*

Russ is excited to be part of *You're a Good Man, Charlie Brown* for the second time. He was last seen at VT:L as "Brassett" in *Charley's Aunt* and "Hannibal" in *The Curious Savage*. When Russ isn't performing onstage, he loves to perform for his kids and grandkids. He would like to thank his lovely wife for all of her support.

Director's Note:

Sometimes when magic is made, you cannot recreate it. The initial joy of doing something new, the camaraderie that builds when working towards a common goal, and the excitement of not knowing what will come next are all born once in the fire of circumstance. That was "Charlie Brown" the first time. In less than 16 rehearsals, we put on a show that brought happiness to those who joined us for that very first production. I was both thrilled and nervous to try to do it again. Can magic be created twice? After witnessing this truly stellar cast and team do their thing once again, I can say YES. All of it has been here and I have left each night happier and happier just from being able to associate with these wonderful people. To the cast and crew who took a chance on us that first show six years ago- look at the legacy you created! All this that we do now is because of you. And to my returning cast and my family- thank you. You are the people dearest to my heart and I am forever grateful to you.

If you are in the audience joining us for the first time, welcome. If you saw the show six years ago, I hope you can see how we have grown. And to all of you, I wish you happiness with crayons, fireflies, hands to hold and friends that lift you up.

- Nashelle Jackson
