Director's Note

"There is no show more magical than *Cinderella*. But, for me, the real magic has been letting go and watching a very talented team of cast and crew members create a unique show that has taken on a form all its own. You will laugh, cry, believe, hurt, trust, and be transported to unique times in your life where the things you see, and hear, and feel tonight are still very tangible and live inside you. This is the real magic. The result of countless lives and experiences all converging to live in this moment. It has been an absolute pleasure to find and bring to life the magic of this show. May you, like Ella, find the magic inside and around you and know that it is possible. Enjoy the show!"
